## WATCH THOSE SPOT CARDS

It's the little cards that tell the tale. Partner is going out of his way to try to help you figure out what to do, and if you don't process that information, you are limiting your own results. Partner's spot cards can tell you so, so much, if you let them: if you are giving him a ruff (he leads a high spot card, showing at most a doubleton, or plays high-low in response to your AK lead), if he likes the suit (high spot card, encouraging), if he doesn't like the suit (low spot card, discouraging), the distribution of the suit (giving count on declarer's leads), suit preference (when he is giving you a ruff).

Take the time to slow down, pay attention to the spot cards, and process the information you have available. It's difficult at first but over time gets easier.

I guarantee that your results will improve!

### KICK OFF FOR THE LONGEST DAY!!!!

Each year the ACBL partners with the Alzheimer's Association To raise funds to provide research and services.

Please visit our Longest Day table in the Lobby of the Conference Center today or tomorrow. We will have information available about the disease. Information about teams and events will also be available.

You will be able to register your team or event at our table. Prizes will be given to the first three returning teams and the first three teams who did not participate last year that register. Thanks to all of you who sponsored teams and games last year. With your help, the members of District 21 can set another fundraising record this year and assist in finding a cure for Alzheimer's.

The ACBL-wide Longest Day is June 21st, but it is possible for clubs to have their Longest Day event on their normal club game day.

♠ *It's cold and flu season*, so please be extra careful this week to wash your hands frequently! It should be the first thing you do after each session.

If you're very sick, please refrain from playing, or come by the Hospitality desk in the Convention Center lobby to grab a mask.
